Mr. J. G. McCabe commenced work on his brickyard on the Asylum grounds yesterday. He will push the work as rapidly as possible.

Mrs. Houston, of Taylors Mill, has rented the Bolivar Hotel. She has an excellent reputation as a hotel keeper, and will no doubt keep a good house.

The funeral of Mrs. Walton was very largely attended at the Baptist church last Saturday. Rev. E. B. McNeil preached a splendid sermon.

There will be a meeting of the Hardeman county temperance alliance very soon. Let the friends of the cause be ready for the work.

It is reported that during this season there have been 150 bushels of clover seed sown. Now this is a step in the right direction. Let every farmer sow clover and grass, then in a few years our waste lands will be reclaimed.

An enlargement of the corn patch is one of the necessities of the present, and should be the watchword with the farmers of our country just now. In time of peace prepare for war. So in the spring and summer prepare for the cold of an other winter.

Bolivar can secure the extension of the Ripley Railroad North from Middleton to this place, by offering a sufficient inducement to its owners. Now is the time to make the effort. That the Northern terminus will not be permitted to remain at Middleton, is almost certain.

Mrs. Sarah Walton, wife of Esqr. R. H. Walton, died at his home 4 miles west of Bolivar on Friday last, in the 73d year of her age. Deceased was a noble, christian woman, and her loss will be keenly felt in this community. She had been a consistent member of the Baptist Church for nearly forty years, and all of the christian graces were exemplified in her life. She leaves a host of relatives and friends who mourn her demise.

Mr. S. F. Smith's saw mill, at Pocahontas was burned Tuesday night of last week. It was partially insured. It is supposed to have been accidental.

The contest in the Quarterly Court on Monday last, over the position of Superintendent of Public Instruction was very interesting to many present. The contest was a remarkably friendly one, and was between deserving young gentlemen. The utmost good-feeling prevailed.

We clip from the Jackson Whig of the 3d, inst, the following beautiful tribute to the memory of a young lady who was born and raised in this community:

"Mrs. Evie D. McClanahan, wife of Chas. F. McClanahan and daughter of Mrs. M. J. Cliff, died at the Cliff House yesterday morning after a brief illness, aged 17 years. Only a few weeks ago she stood at Hymen's altar and pledged her hand and heart to the husband of her choice. Young, beautiful, and the roses of health blooming in her cheeks, none who saw her then thought that death would so soon claim her for the grave. She was stricken down a few days since and yesterday morning the spark of life went out on earth to be re-lit in eternity. The funeral takes place from the First Presbyterian Church this morning at 10 o'clock. Rev. J. H. Hall will officiate. The bereaved husband and mother and other relatives have our sincere sympathy in their hour of sorrow."

The family has a large number of relative and friends here who deeply sympathize with them in their afflictions.

Your attention.  
There will be a meeting of the citizen of Bolivar at the Court House this evening at 3 o'clock, for the purpose of taking such action as may be deemed advisable looking to secure the extension of the Ripley Railroad from Middleton, to Bolivar. All are urged to be present, as it is a matter of very great importance.

St James Guild.  
The last meeting was held at Maj. E. P. McNeal with a very large attendance of visitors and friends—being larger than at either of the preceding meetings. The next meeting will be held at the residence of Mrs. Leonidas Bills on Monday April, 26th at 7 1/2 o'clock P. M.

### COUNTY SUPERINTENDENT.

On Monday last, Prof. T. S. Minter was selected by the Quarterly Court, Superintendent of Public Instruction for this county, in the place of A. J. Coates, Esq. resigned.

Quite a number of rising young teachers were applicants for the place, and the selection of Prof. Minter over his opponents was, indeed, a high compliment. Prof. Minter has, deservedly, taken high rank as a teacher, and the ability and energy which he has heretofore exhibited in his chosen vocation, is a sufficient guarantee that the duties of the important position to which he was appointed on Monday last, will be honestly and ably discharged.

A bad selection could not have been made from the gentlemen whose names were brought forward as applicants for that place.

Aubrey, Texas.  
Mr. Editor:—If it is not too presuming I will endeavor to write you another short letter. We are receiving the full benefit of the Texas winds; the wind is blowing very disagreeably now, but the old Texans do not seem to mind it. We went out to church this morning and I must say that Texas can not boast of as good looking ladies as old Tennessee. Good many of the farmers through this section are done planting corn, the prospects for wheat and oats are not very favorable, owing to the dry weather. Allow me to correct an error in my last letter we are in the lower cross timbers instead of the upper cross timbers. Our little station consists of five stores, two steam gins and one steam mill; but there are no saloons as prohibition is enforced here. There is a strike on the Missouri Pacific R. R. and I saw by the Dallas and Fort Worth papers that the United States had taken the matter in hand. We sympathize very much with the friends and relations of Mrs. Bynum in their sore bereavement.
